Dear Jerry:

We have scheduled some League games in Paterson for the next half of the League season. Mr. Manley made a trip to Paterson and contacted the local newspaper man, Mr. Joe Gootter, 284 - 17th Ave., Paterson, N. J. % Paterson News. He is going to co-operate 100% in handling the publicity for the games. He wants you to contact him directly, so he can tell you what he wants. He especially asked for mats.

I have written the two Jersey City newspapers to ask if they would let me have the cuts of the Eagles they had made for the Benefit game. I have not heard from them to date. Do you think you will be able to get the cuts from them, I will be willing to pay for them of course if they wish. Do you have any cuts or mats on hand? I have so many papers asking me for them.

We are playing our first game in Paterson on July 12th the Elites and Eagles, so I will appreciate your getting to work on this right away.

I am enclosing you a copy of the schedule of the Home Games for the second half. We are holding up release of second half schedule, pending some possible changes.

Very truly yours,
